

ROSIE NEEDS YOUR HELP

This is Rosie, my sweet dear 10-year-old cat.

She is strong, but she is not well right now.

She has developed a mass behind her right eye, and diagnosis/treatment of it is out of my budget. I have spent >\$500 out-of-pocket; My funds are running out.

Please donate for Rosie's healthcare if you are able to do so, or share this.

All public donors will be listed on Rosie's Webpage as a Rosie Rusher!
